DETAILED ACTION

Response to Amendment

1. The amendment filed 10/23/2009 has been entered. The previous Drawing Objections have been resolved in the current Amendment. The previous 35 U.S.C. 112, 2nd Paragraph rejections and 35 U.S.C. 102(b), and 35 U.S.C. 103(a) rejections have been withdrawn.

Drawings

2. The drawings were received on 10/23/2009. These drawings are acceptable.

The application has been amended as follows:

CLAIMS:

-Claim 1, Line 2, change the phrase "with at least one elongated contoured element" to – with at least two elongated contoured elements --

Allowable Subject Matter

4. **Claims 1, 3-15, and 18-20** are allowed.

Art Unit: 3635

5. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or adequately suggest the combination of limitation of Claim 1 with "at least two elongated contoured elements for cladding a wall surface, which are arranged over each other, with corner-forming elements that are assigned to the contoured elements and are arranged in the form of stumps reaching over each other in a cross bond, whereby the contoured elements and the corner-forming elements jointly take on the appearance of a massive blockhouse-type building mode, characterized in that the contoured elements are designed to be mirror-symmetrical in their longitudinal extension and comprise near their respective from sides a transverse recess each for the contoured elements positioned opposite one another to connect in the cross bond; the corner-forming elements are designed in the form of round wood stumps with a cut surface that forms an end surface and comprise, on the opposite side, a first planar attachment surface and, adjacent to this and adapted to an external side of the crossing contoured element and corner-forming element a second attachment surface."

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
